

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

April 27, 2023

Dear Residents, Family Members and Resident Representatives,

As COVID activity levels continue to decline and we are able to lift some of the restrictions that were required when activity levels were high (such as the mandatory use of facemasks), we're in the process of evaluating whether other COVID-era restrictions can be removed without jeopardizing the safety of our residents and staff members.

In this regard, we have determined that locking our entrance doors to our Independence 'Plus' Assisted Living and Skilled Nursing neighborhoods on a 24-hour a day basis is no longer necessary. We will revert to our pre-COVID policy of locking our doors from 8:00 pm until 8:00 am. If you are visiting a loved one at Sunnyside Manor, you will still be required to undergo COVID prescreening at our Accushield kiosk, but you won't have to wait at the door for a staff member to let you into the building. COVID has required us to be adaptable to ever-changing conditions, and this is a policy we may need to revisit if COVID activity levels increase in the future.

We hope you have an enjoyable weekend. As always, we appreciate your ongoing support.

Regards,

The Keane Family
