

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

April 7, 2023

Dear Residents, Family Members and Resident Representatives,

We are happy to share that we continue to remain COVID-19 free in our senior living communities. The CDC COVID-19 community transmission level is low in all counties; however, the CDC COVID-19 community transmission levels used for healthcare settings are moderate in Monmouth/Ocean counties, which dictates our protocol. We are hopeful the downward trend continues.

This past week we celebrated the Easter season in all three neighborhoods. Our residents enjoyed traditional egg coloring, which brings out the kid in all of us! Our activities staff along with our dining staff provided pastel-colored mock-tails at our celebration! We also were fortunate to have religious services on-site at the community.

This week and next there are many celebrations. Whether you are enjoying Passover, Holy Week, or Easter Sunday, may you be with family and friends and have a peaceful celebration.

This Sunday looks to be a beautiful day and we hope you are able to enjoy the spring weather. As always, we appreciate your ongoing support.

Regards,

The Keane Family
