

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

May 8, 2023

Dear Residents, Family Members and Resident Representatives,

We hope you all enjoyed the weekend. We began our weekend at Sunnyside with our Cinco De Mayo celebrations on Friday followed by the Kentucky Derby on Saturday in all three neighborhoods! Please keep an eye out on our Facebook page for pictures!

We are currently celebrating National Nurses Week! National Nurses Week honors their contributions and sacrifices and reminds us to thank the medical professionals who keep us healthy. It is celebrated between May 6, National Nurses Day, and May 12, the birthdate of celebrated nurse Florence Nightingale.

As a reminder, our entrance doors to our Independence 'Plus' Assisted Living and Skilled Nursing neighborhoods are unlocked from 8:00 am until 8:00 pm. Please sign in on the Accushield kiosk, and let yourself into the building! Let us all enjoy the reduced restrictions while we have them!

You may have noticed over the past couple of weeks we have moved off a weekly Friday letter and sent out letters on other days of the week. We received feedback from you through our staff in each neighborhood that you would rather not hear weekly about COVID, so moving forward we will let you know about such activity on an "as required by Department of Health" basis. We also are going to send these letters a bit less frequently. Please let us know if this schedule works for you all by giving feedback to Jeana Tafrow and Pam Gormley.

We hope you had an enjoyable weekend and a wonderful week ahead. As always, we appreciate your ongoing support.

Regards,

The Keane Family
